

# Silent Auction Donors & Supporters

Celebrating Life. Empowering Hope.

Academy of Friends would like to express our sincere thanks to the companies and individuals who have generously supported our work to support HIV/AIDS Services through donations to our silent auction. This list does not include those many donors who have contributed in many other ways to support our work and they are acknowledged in program materials and elsewhere; we thank them as well, because without them, we would not be able to produce this fabulous event.
